

November 1, 2011

The Lincoln County Drainage Board met at 11:00 A.M. on November 1, 2011 with members, David Gillespie, Jason Melcher, Dale Long and Dennis Weeldreyer present. Jim Schmidt was absent. The Auditor was Clerk of the Board.

Darlene Kuehl addressed the Board about a drainage tile project being done by Jerry Lohr. The County does not have jurisdiction over this matter and should be addressed with Dayton Township.

Larry Niebuhr addressed the Board about a drainage issue with the City of Canton. The County does not have jurisdiction over this matter and should be addressed with the City of Canton.

Orville Groenveld addressed the Board about Ditch 15 and who is responsible for maintaining it. The landowners within the Ditch would need to petition to be governed by a Board of Trustees and the Board of Trustees would govern the Ditch.

Motion by Gillespie and seconded by Melcher to adjourn. Motion carried.
