TERMS AND CONDITIONS

Installation and maintenance of said facilities on highway right-of-way shall be subject to Lincoln County's *Accommodation of Utilities on County Highway Right-of-Way Policy* and the following terms and conditions:

1. The Applicant agrees to indemnify and hold harmless the Permitting Authority, its employees and its agents, from any cost, claim, suit, liability and/or award which might come, be brought, or be assessed, because of the issuance or exercise of this permit, or because of any adverse effect upon any person or property which is attributed to the partially or entirely completed works of the Applicant. Accomplishment of the permitted work, or any part thereof, by or on behalf of the Applicant shall bind such Applicant to abide by this permit and all its conditions and provisions.
2. The permitted facilities shall, if necessary, be altered at the expense of the Applicant to permit alteration, improvement, or maintenance of the highway as may hereafter be ordered. The entire cost of constructing and maintaining the permitted facilities shall be the obligation of the Applicant unless a contract for such costs has been executed.
3. No open cutting for utility crossings will be allowed without specific authorization by the Permitting Authority. At least one-way traffic must be maintained at all times throughout the utility installation unless specific approval that states otherwise has been received from the Permitting Authority.
4. When one-way traffic or a detour is used, the Applicant shall provide all necessary signs, flagmen and lights required according to the "Manual on Uniform Traffic Control Devices."
5. All disturbed areas shall be returned to their present condition or better, subject to the satisfaction of the Permitting Authority. Access to all private drives and public street intersections shall be maintained, and all disturbed areas completely restored.
6. Any trenching, tunneling, or excavating shall be performed in accordance with the requirements of OSHA and other South Dakota governmental departments having jurisdictional authority over such actions.
7. In cases of emergencies, the Applicant shall call 911 immediately. As soon as safely possible thereafter, the Applicant shall notify the Highway Department by calling 605-764-5841.
8. A copy of this completed permit, along with any plans and special provisions, shall be available on the job site.
9. The Applicant and all its agents and assigns shall wear an ANSI/ISEA 107-2004 Class II height visibility garment while working within the highway right-of-way as per the requirements of 23 CFR 634.
10. Applicant shall promptly remove said facilities from highway right-of-way, or shall relocate or adjust said facilities, at its sole cost and expense when requested to do so by Lincoln County.
11. Lincoln County specifically reserves the right to revoke or change the terms and conditions of this Permit with or without cause and upon notice to the Applicant.
12. All work performed by the Applicant in association with this Permit, is warranted for one year starting upon the completion and acceptance date by Lincoln County.
