Welcome to Our New 4-H Program Advisor

Hello Lincoln County 4-H! My name is Alina Krone-Hedman and I cannot wait to see what awesome things I can do for the program serving with Megan as a program advisor. My hometown is Hurley, WI up near the U.P. (upper peninsula) of Michigan where I spent countless summers fishing. I was a 4-H member for 10 years taking part in the clothing, foods and nutrition, arts and crafts, photography and visual arts, gardening, and nature projects. Throughout my time in 4-H, I also took part in countless community service and leadership opportunities, including being a 4-H Summer Youth Camp counselor for several summers and attending State 4-H and Youth Conference.

In May 2016, I graduated with an Art Education Degree and minor in Graphic Communications from Carroll University in Waukesha, WI. In my free time I am typically at a lake or river looking to catch walleye, hunting, hiking, camping, traveling, making jewelry, taking photos, or reading.

Jr Leaders Silent Auction

This year at Achievement Days the County Junior Leaders Association is putting on a Silent Auction on Wednesday night during the evening activities. We are asking that each club please donate to help make the auction as successful as possible. Clubs can choose to donate items, create a themed basket to be auctioned off, or make a cash donation to help purchase items if they wish. An idea list for baskets was attached with the email sent to all leaders about the auction.

Please contact Alina Krone-Hedman at alina.kronehedman@sdstate.edu about what you intend to donate by July 16, and drop off all items and cash donations by July 23 at the 4-H Extension Office in Canton. Thank you in advance for your support of the Jr. Leaders as they work to raise funds to use towards future 4-H activities and events.

Achievement Days Prep Day

Please make sure to be at the grounds at:
9:00AM on Sunday, July 22
Assignments can be found in the Supplement located on the Lincoln County 4-H page website. Canton Methodist Church will be holding a service at 12PM, followed by a potluck. All are welcome to join.

4-H Promotion and Expansion Committee

Do you have ideas you would like to share about getting more people involved in 4-H, or are you interested in helping set goals for Lincoln County 4-H to better meet the needs, interests, and concerns for the youth in our county? Now, here is your chance to voice your thoughts. Over the next few months Lincoln County 4-H will be working to establish a 4-H Promotion and Expansion Committee consisting of members and nonmembers of the 4-H, as well as youth and adults, to help the county program grow and flourish. The hope is for the committee to meet several times per year to discuss objectives and develop methods for enrollment and recruitment into the program. If you are interested in taking part in this committee or would like more information, please contact Alina Krone-Hedman at alina.kronehedman@sdstate.edu or call (605)764-2756.

Click on 4-H/Extension in the quick links to the right; click on any of the 4-H Links to find info pertaining to Lincoln County 4-H including the 4-H newsletters.

**Lincoln County 4-H Facebook**

Search “SDSU Extension Lincoln County 4-H” or use the link [https://www.facebook.com/SDSU-Extension-Lincoln-County-4-H-291846388331/timeline/](https://www.facebook.com/SDSU-Extension-Lincoln-County-4-H-291846388331/timeline/)

**Remind App**

The Lincoln County 4-H Office and Leaders Association will begin using **Remind** text service. To receive text messages, text @linco4h to 81010.

**iGrow.org**

iGrow is SDSU Extension’s official website. Check it out to find statewide resources for 4-H including news releases, registrations, and official results.
Important Achievement Days Information

Online registration for Achievement Days is **July 1-16**. All exhibits (animals and display) must be registered during this timeframe to be able to exhibit. The link to register is: [https://lincolncountysd.fairentry.com](https://lincolncountysd.fairentry.com). Reminder, if you are exhibiting multiple items in the same category, you must register each item separately (i.e. Two nature photographs will be two separate entries in the category of Nature Photography.)

Registration Help Day is **Monday, July 9**. The Extension Office Staff will be available **9am-8pm** to assist 4-H members and families registering for 4-H Achievement Days and/or State Fair. We will answer questions and help guide you on registering online. **Be sure to know your 4-H online password and email.**

We have exhibit cards and required forms available for you to fill out (attach to your projects **before** arriving at the 4-H grounds). The following projects require an additional form: Constructed Clothing, Computers and Technology, Food Preservation, Photography Exhibit, Photography-Videography, Quilt Project, Recipe Adaptation, and Selected Outfit. Forms can also be found at [http://igrow.org/4h/south-dakota-4h/state-fair-scoresheets-forms/](http://igrow.org/4h/south-dakota-4h/state-fair-scoresheets-forms/).

Photography board is available at the Extension Office until **July 27**. White photography board is $1.25 and black is $1.50. You may pay cash or make checks payable to Lincoln County 4-H Leaders Association.

Horticulture exhibits are the exception to the regular registration deadline. Exhibitors will fill out a form at check in on **Monday, July 30** or **Tuesday, July 31**. 4-H club containers may be moved after judging to decorate the fair grounds.

---

**Achievement Days Entry**

Entry for all exhibits for Achievement Days must be completed on [https://lincolncountysd.fairentry.com](https://lincolncountysd.fairentry.com). Invoices will not be approved during weekends.

**July 1 –July 16**

Anyone who does not enter during these days will not be able to exhibit at Achievement Days

---

**Animal and Vet Inspections**

All 4-H animals must be inspected and have Certificates of Veterinary Inspection within 30 days of exhibition at Achievement Days and State Fair. Exhibitors must have a separate CVI for each species of animal exhibited. Each animal needs to have individual identification; however, it is acceptable to have several animals of the same species listed on one CVI.

Animals must be inspected and CVI must be issued within 30 days of exhibition. Each CVI must:
- Be issued and signed by an accredited licensed vet.
- Show name & address of owner or exhibitor (consignor)
- List each animal individually on the CVI.
- List the official identification correlated to official documentation on CVI.
- Show all required tests and results for that species.
- List import shipping permit number.
- List free of infectious or contagious diseases
- List from non-quarantined herds or flocks.

Be courteous and contact your veterinarians ahead of time to schedule your CVI. The Veterinarians of Companion Animal Clinic in Canton are willing to do complimentary checks on 4-H animals exhibiting at 4-H Achievement Days. Contact them at 605-764-5474 ahead of time stating your 4-H involvement to make arrangements for them to prepare needed forms. Be prepared when you call so they can get the species, animal id, exhibitor name, etc. from you over the phone.
Lincoln County 4-H Supplement

The 4-H Supplement is on the Lincoln County 4-H website and can be used to find the answers to many questions you may have about Achievement Days and State Fair, so be sure to read through it. Anyone who would prefer a physical copy of the 4-H Supplement printed for them may contact the Extension Office at (605) 764-27656 and arrange a time to pick it up.
Night Watch Position Still Needed

Lincoln County Extension is currently accepting applications for a night watch position at the 4-H grounds to work from 9 pm to 7 am during July 30–August 1 (3 nights). Ensure security of grounds and animals as well as garbage removal and light maintenance and grounds work. Must be 18 years of age or older; have experience working with animals and livestock; and be able to lift up to 50 pounds. Approximate wage is $11.27/hour.

Please contact Megan at megan.klundt@sdstate.edu to inquire about applying.

Qualification for a position on the State Fair judging team:

- Top scores from two of several area livestock judging schools, FFA, and Sioux Empire Farm Show
- Top scores from one dairy judging school or FFA
- Top scores from one of several area horse judging school or FFA
- Top scores from two schools of consumer decision making
- Top scores from two horticulture events

It is the responsibility of the 4-H member to report their scores from any FFA or judging contest to the Extension Office within 7 days.

Lincoln County team members will be notified they qualified for a team from the Extension Office staff. Teams will consist of only Lincoln County 4-H Members. If there are not enough eligible team members, Extension Staff retains the right to combine with another county to form a team.

4-H Journal

4-H members should be working on journals throughout the year. The journal is available on the Lincoln County 4-H website. We also have them available at the Extension Office.

Club Members contest 2018

Are you reading the newsletter? As you read the newsletter, look for the symbols that are out of place. There will be 3 in each newsletter. Let us know at the office what they are and your name will go into a drawing for a $25.00 gift card to be given out at Recognition Event 2018.
**Poultry Proof Pullorum Free**

4-H members: be aware before purchasing your poultry for exhibition there are rules regarding Pullorum Disease. Veterinarians issuing Certificates of Veterinary Inspection (CVIs or “health papers”) should verify that poultry originated from a Pullorum-free source or have been tested negative for Pullorum disease within 90 days of the exhibition.

From Dr. Todd Tedrow of the AIB: “Official documentation will show that poultry have originated from a Pullorum free source. Official documentation would include a CVI, a VS Form 9-3 (with the National Poultry Improvement Plan emblem on it) or a South Dakota Intrastate Report of Sales of Hatching Eggs, Chicks, and Poult.s.

“An exhibitor that hatches their own poultry would need to either test the poultry to be exhibited negative for Pullorum disease or be licensed as a poultry hatchery in SD. In order to be a licensed hatchery producers need to establish a Pullorum clean flock. The AIB licenses hatcheries so please refer those that are interesting in pursuing a hatchery license to our office.”

If you don’t have official documentation to show that poultry have originated from a Pullorum free source, your poultry needs testing for the disease.

---

**Achievement Days Livestock Reminders**

**Poultry:** You will need to list a leg band for your poultry entry. Most of you won’t have one on your animal when you enter your information into 4HOnline. Please start with leg band 1 as you enter your information. We can change it if you are going to take a project to the State Fair.

**Market or Breeding:** If you have an animal that you are unsure to be market or breeding, sign it up for both when registering it online for Achievement Days. Follow the protocol to weigh it for market, tags, etc. It is easier to scratch it from a class than to explain to a 4-H member they cannot show their animal. In addition, be sure there is a class available for your animal, for instance animals may have specific ages/ birthdates required.

**Use of Fans:** Due to safety reasons, fans used in the barns at the 4-H grounds will need to be mounted. Brackets are available at Sullivan Supply, Inc.

**Entries at Achievement Days:** County level only can have an unlimited total number of projects, but still have 2 entries per lot (excluding rabbits, dogs, and horses which will follow the state rules and guidelines.)

**Herdsmanship:** Changes have been made from an individual award to a club award. A daily ribbon will be given.

---

**Livestock May Lose Tags**

If an animal you are exhibiting at Achievement Days or State Fair loses its official identification tag, contact the Extension Office right away.
Recent Shows & Events

Public Presentations
Congratulations to all 4-Hers that took part in Public Presentations. All participants took home either a blue or purple ribbon in their respective categories. This year, we were also excited by our large turnout of 19 total participants with entries in the categories of Public Speaking, Illustrated Talk, and Demonstration. Many will go on to present at State Fair.

Horse Show
We had 12 participants take part in the Horse Show this year, competing in events from Western Showmanship and Trail Riding, to Barrel Racing and Pole Bending. The day included some exciting moments for the 4-Hers as they showed their skill in their respective categories. In total there were 6 purple, 26 blue, 36 red, and 9 white ribbons awarded. Nice work everyone!

2018 Talent Contest
Got Talent? The youth talent show gives 4-Hers the opportunity to showcase their talents individually or with a group at Achievement Days on August 1. 4-H club groups composed of 50% of club members or more will have the opportunity to compete for a cash award in their own category.
Winning contestant categories are as follows:
• First place—$50 cash prize
• Second place—$25 cash prize
• First place club—$75 cash prize
For details, contact the Extension Office. This is not a state qualifying event. Each act will only be allowed two practices. Practice time is on Wednesday, August 1 from 4PM-5PM only.

4-H Photography
There are a couple changes in 4-H Photography this year. For the animal class/lot, 4-H members will have the option of submitting their photo two ways, with either the actual photo being printed and displayed on the foam board, or the photo being submitted online through FairEntry.
New this year, South Dakota 4-H will have a theme for photos that will be included in the 2019 calendar. Youth who would like to submit photos to be considered for the calendar must enter in this lot. The theme for the 2019 South Dakota 4-H calendar is Barns. This can be part or all of the barn, inside or outside, the choice is yours! Planning ahead, the theme for the 2020 South Dakota 4-H Calendar is Honoring Those Who Serve Our Country.

Achievement Days Committees and Volunteering
Each year we need volunteer*s from our 4-H leaders, parents, Sr. members, and friends to help operate smooth judging and shows. Please use the links below to sign up to help at Lincoln County events. The sign up information is used to create the needed committees for Achievement Days. If you do not respond, you may be automatically assigned.
Dog Show— Saturday July 28:
http://www.signupgenius.com/go/5080d4badac23a6fc1-20181
Achievement Days— Monday July 30 through Thursday August 2:
http://www.signupgenius.com/go/5080d4badac23a6fc1-20182

Fashion Revue
Fashion Revue registration is due on Friday, July 13. Registration forms can be found online on the Lincoln County 4-H page. For any questions on filling out your Fashion Revue Registration, please contact Lincoln County Extension. Fashion Revue will begin at 10:00AM on Thursday, July 19 at Canton High School, and 4Hers will also model their fashions during the Achievement Days barbeque.
Companion Animal Changes

There will no longer be a cat/kitten show where a judge looks over your animal and gives you a ribbon. Instead, cat showmanship will go under the Companion Pet project area. If you do not want to do cat showmanship, you can exhibit your cat/kitten under companion pet. Judging is based on their physical condition, cleanliness, presentation, temperament and attractive or unusual appearance. You can have two companion pets, but you can only have one entry in cat showmanship.

Anyone participating in the live companion pet project area will need to bring along pictures of your pet’s habitat at home. If you don’t want to bring in your pet, you can make a poster about it and present it to the judge. This can be on any pet you may have. Companion pets will be limited to cat/kitten, ferrets, chinchillas, guinea pigs, gerbils, hamsters, mice and rats, hedgehogs and pet rabbits that cannot be exhibited in the regular rabbit show.

Certificate of Veterinary Inspection is required within 30 days of show. Live animal projects will be brought only on the day of judging. A new companion animal book is on our website!

Cloverbuds Small Animal Exhibition

4-H Cloverbuds may show TWO exhibits at the “Show and Tell Event” on Tuesday, July 31 at 4PM. Cloverbuds may also exhibit one (1) small animal during Lincoln County Achievement Days. Small animals include dogs, cats, rabbits, poultry, and companion animals. A Certificate of Veterinary Inspection (CVI) is required for all animals. The Cloverbuds will only receive participation ribbons. Cloverbuds do not exhibit any animals at state fair.

State Fair Book

The 2018 South Dakota State Fair Book can be found at

The book is also available with club leaders

State Show and State Fair Registration Deadlines

The deadline to register for State Dog Show is August 1. Registration can be found at:
https://fairentry.com/Fair/SignIn/2082

State Livestock Judging and Skill-a-thon Contest registration deadline is August 20. Registration can be found at:
https://fairentry.com/Fair/SignIn/2083

State Fair registration deadline is August 20 for all Livestock, Static, and Youth in Action Exhibitions. Registration can be found at: https://fairentry.com/Fair/SignIn/2084. Remember, 4-Hers are limited to 10 livestock and 10 static exhibits for State Fair, but are unlimited to how many exhibits they can enter for Youth in Action.

Note: State Fair registration is already open! It is a great idea to register for State Fair at the same time you are registering for Achievement Days. Just remember, the office staff need to approve entries before you can add more, so try to do as many as you can before pressing ‘submit’.

Important State Fair Information

If you exhibit a static exhibit and decide to send it to the State Fair, it must be packed in an unsealed container. They may be brought to the Extension Office August 21-24.

Baked goods, eggs, and horticulture exhibits for State Fair may be brought into the Extension Office on Tuesday, August 28 from 8-11:30AM.

Animals will need new health papers & registration papers at check-in. Please bring them with you to State Fair.
Animal Care Wednesday Webinars for Expert Advice

The Animal Care Wednesday webinar in July is, “Cattle handling facilities: common issues & simple fixes.” The date of the webinar is July 11th at 11:00 am CST.

If you’re interested in enhancing your knowledge from experts, please contact Heidi Carroll at heidi.carroll@sdstate.edu to receive reminders and information to sign up. If you are not able to attend, you can view archived webinars by letting Heidi know you’re interested but can’t make it.

Below is a schedule of upcoming webinars:

| Aug 1 | Parasite control and being a good steward: tips to implementing new research findings | Mike Hildreth |
| Sep 5 | Antibiotic/antimicrobial stewardship: The importance of product handling, storage temp, mixing techniques | Rob Eirich |
| Oct 3 | 2018 Ag law and regulation updates: Animal welfare and care outlook | Dave Aiken |
| Nov 7 | Updates on the BQA Transportation certification program implementation and federal commercial trucker regulations | TBD |
| Dec 5 | Update on the SD OneHealth initiative | Russ Daly & Susan Anderson |

Livestock & Dairy Judging Schools and Contests

July 10– There will be a Youth Dairy Cattle Judging School at Boardwine Farms in Baltic, SD. The school starts at 6:30PM, and it is asked that participants arrive 15 minutes prior for registration.

July 13- Miner County 4-H is having an Area Livestock Judging Contest at the 4-H grounds in Howard, SD located on 203 W. Wilson and S. Half Street. Registration is at 5:00PM, with the contest beginning at 5:30PM.

July 17- The Country Wranglers 4-H Club of Hutchinson County will be hosting a Livestock Judging School at the fairgrounds in Canton. Registration is from 6:00PM-6:30PM and judging will start at 6:30PM. A light supper will be served after.

July 17-There will be a Youth Dairy Cattle Judging School at Silvercrest Holsteins in Big Stone City, SD. The school starts at 1:30PM, and it is asked that participants arrive 15 minutes prior for registration.

July 20– Lincoln county is having a Livestock Judging Contest at the grounds in Canton. Registration is at 9:00AM, with judging starting at 9:30AM. Cost is $10 per participant and lunch is included. Please RSVP by July 13.

July 25-There will be a Youth Dairy Cattle Judging School at SDSU Dairy Farm in Brookings, SD. The school starts at 6:30PM, and it is asked that all participants arrive 15 minutes prior for registration.

Meat and Dairy Goat Production Workshop

The Value Added Agriculture Development Center (VAADC) is partnering with South Dakota Specialty Producers Association (SDSPA) and South Dakota State University (SDSU) Extension to host a Meat and Dairy Goat Workshop July 14, from 9:00AM to 3:00PM in Brookings, SD at the Alfred Dairy Science Building on the SDSU Campus.

This upcoming workshop will address both meat and dairy goat production, as well as small ruminant health and marketing topics through presentations and hands-on training from specialists. Various other presentations will include information on lactation, heat and cold stress effects on goat performance, and raising a small goat herd in South Dakota.

The workshop fee is $30, plus processing, and includes lunch featuring local goat, cheese and products. Advance registration is requested. To register visit: [http://www.sdspecialtyproducers.org/](http://www.sdspecialtyproducers.org/). Participants may also register at the door.
2018 Youth Dairy Cattle Judging Schools

Kids Gain Experience & Skill in Dairy Cattle Judging

Beginner and 1st time judgers will gain understanding & develop skills in:

- Identifying basic cattle body parts and correct structure
- Taking organized notes to defend their decisions
- Properly delivering a set of oral reasons
- Evaluating and ranking cattle based on the Dairy Cow Unified Scorecard

More experienced judgers will expand their knowledge and practice of:

- Identifying correct dairy cattle breed standards
- Dairy cattle selection through performance and pedigree evaluation
- Delivering oral sets of reasons utilizing proper note taking techniques
