ORDINANCE NO. 1710-47

AN ORDINANCE OF LINCOLN COUNTY, SD, AMENDING THE 2009 REVISED ZONING ORDINANCE FOR LINCOLN COUNTY BY AMENDING ARTICLE 12, ADDITIONAL USE REGULATIONS AND ARTICLE 26, DEFINITIONS.

BE IT ORDAINED BY LINCOLN COUNTY, SD:

Section 1. That Section 12.02(C)(3)(a)), of the 2009 Revised Zoning Ordinance for Lincoln County, SD, is hereby amended to read as follows:

a. Lighting shall be limited to the minimum requirements of the Federal Aviation Administration (FAA). There shall be no lights on the tower other than what is required by the FAA. The use of Automatic Obstruction Lighting Systems is mandatory for a Commercial WECS with FAA lighting. If more than one lighting alternative is reasonably available, the alternative that causes the least visual disturbance must be used.

Section 2. That Section 26.02, of the 2009 Revised Zoning Ordinance for Lincoln County, SD, is hereby amended with the following definition to read as follows:

Automatic Obstruction Lighting System. A lighting system that provides continuous 360-degree surveillance of the airspace around a wind farm from the ground level to above aircraft flight altitudes, automatically activating obstruction lighting when aircraft are detected at a defined outer perimeter and course of travel.

Adopted this 24 day of October, 2017.
